I LL SHOW YOU MINE: EVERYDAY PEOPLE TALK CANDIDLY ABOUT LOVE, SEX, AND INTIMACY (PAPERBACK)

Sager Group the, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Like a no-holds-barred game of Truth or Dare, I LL SHOW YOU MINE collects the intimate oral histories of everyday people who were bold enough to offer up their innermost secrets to the exceedingly practiced ears of the noted underground poet and social observer Greg Gerding. *For so many years, I felt like I was the one with the problem. *It was the first time we had sex. Finally, they remove your blindfold. You open your eyes and see a gigantic wall full of photographs of people. *He said: I know you re pregnant. And I said, There s no way. I m on birth control. *It was kind of scary because I was like, This is fun, but do I really want to go down this road? *There are some things you need to understand about my past to understand me. My mother was murdered when I was six years old. The immutable need for intimacy connects us as humans yet also tears us apart; each of us defines our own needs differently. By creating a safe space for personal reflection, and by casting a wide net of inclusion-male, female, gay, straight, and people who d rather not be labeled-Gerding has ventured upon a deep well of human truth, some of it rivetingly eccentric, some of it profoundly universal. *I answered a personal ad that was seeking a model for an alternative website. It turned out that they were looking for a...
