## THE SOUTHERN LIVING COMMUNITY COOKBOOK

Condition: New. Publisher/Verlag: Oxmoor House | Celebrating food and fellowship in the American South. Foreword by Matt Lee and Ted Lee | Southern food and food stories are bound together. This book will reflect people, regardless of where they come from, who claim Southern food as their own, whether for a lifetime or a mealtime. People feel deep affection for their local community cookbooks, especially those well-worn volumes that serve as a timestamp of a particular place and time. No other type of recipe collection is more generous, gracious, and welcoming. Before we give you a bite, we Southern cooks have to tell you about what we've made. Southern food is evocative, so our food and food stories are bound together in our communities. A memorable Southern cookbook holds good food and a good read, the equivalent of a brimming recipe box plus the scribbled notes and whispered secrets that cover the tips, advice, and stories that a generous cook shares with family members, friends, and neighbors. These recipes bring all sorts of cooks, recipes, and stories to a common table to bring readers a cookbook filled with good things to eat that have something to say. | Format: Hardback | Language/Sprache: english | 1102 gr | 255x180x24 mm | 320 pp.
