Pim Coach Group. Paperback. Condition: New. 57 pages. Photographs are precious. They represent our culture, our families, our parents, our children growing up, the vacation that was unforgettable, family reunions and the best memories of our lives. We have preserved everything in our lives in photographs. They are irreplaceable. In fact, other than to save a family member, photograph albums are what draw people back into a burning house more than anything else. Many of us have thousands of pictures we took before the age of the digital camera. If you are like me, you don't want to lose those precious photos and memories. This book will help you organize, convert to a digital format, preserve, protect and most importantly enjoy your life's most precious memories. All in 7 Easy to Follow Steps.
