Few persons can have observed attentively the various phases of public opinion on religious subjects during the last twenty years or more, without noticing a growing tendency to the accumulation of difficulties on the subject of Revelation. Geology, ethnology, mythical interpretation, critical investigation, and inquiries of other kinds, have raised their several difficulties; and, in consequence, infidels have rejoiced, candid inquirers have been perplexed, and even those who have held with firmness decided views on the distinctive character of the inspiration of the Bible, have sometimes found it difficult to satisfy their minds entirely, and to see clearly the grounds of their conclusions.
