Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. It was one hell of an inheritance for former Chicago reporter Tom Coleman: a broken-down pickup truck, ramshackle campground, a canoe livery and one pot-smoking, barely working employee he doesn't need, doesn't want, and can't afford. But the truth is, after losing a child and a marriage, Tom doesn't really care. And life is nice and quiet in the middle of nowhere. Until a drug lab blows up near his property putting Tom in contact with the woman he once loved, a small-town cop with a chip on his shoulder, and a powerful local who doesn't want him poking his nose where it doesn't belong. Tom doesn't want to get involved in the first place. But in the hardscrabble Nebraska Sandhills, storms gather suddenly and bad blood runs deep. Now a quiet summer on the river is turning into a dangerous season of grudges, betrayal, and violent reckoning and it's already too late to find shelter.
