Excerpt from The Enchanted Years: A Book of Contemporary Verse, Dedicated by Poets of Great Britain and America to the University of Virginia on the Occasion of Its One-Hundredth Anniversary Of course, as always when art is vitally in touch with reality, there has been marked individuality of manner and tone rather than group similarity. The leading English poets have been too original in creative power to be called Georgian, save as the name marks an era. The Irish writers may all have a part in the Celtic Renaissance, but the fairy magic of one or the lyric oracles of another cannot be classified by one academic label. Nor can the term new poetry in America resolve the colorful robust vitality, the cryptic vision, the brilliant intellectuality, and the quiet beauty of certain poets into the patterned product of a narrowed code of art. The Enchanted Years is a collection of verse representative of many different poetic aims and methods. The freer forms of verse and the more traditional phrasings meet on the common ground of a clearly defined poetic purpose....
