## Examination Intensive Care Medicine (Paperback)

By Carole Foot, Liz Steel, Kim Vidhani

Elsevier Australia, Australia, 2011. Paperback. Condition: New. 2nd edition. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Examination Intensive Care Medicine 2E is a high-quality, exam-focused resource to facilitate passage through ICU Fellowship examinations. This is the first publication to specifically meet the goals of an examination guide for ICM trainees. The book covers the key components of exam syllabuses and builds on the ICM component of the previous edition, Examination Intensive Care and Anaesthesia. It deals with all elements of the various ICU examinations in Europe and Australasia, including performance strategies, and provides a chapter on paediatric intensive care. This book is suitable for all trainees in intensive care medicine. Trainees in anaesthesia, emergency medicine, surgery and medicine will also find it useful. It includes an accompanying interactive DVD containing a wealth of supplementary material including a procedures and equipment library, and case-based scenarios to aid recall of important facts.
