In Search of Wisdom: The Pickle Jar Theory

By Lawrence E Henry, Dr Lawrence E Henry

Tate Publishing Enterprises, United States, 2008. Paperback. Book Condition: New. 221 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.In Search of Wisdom, the product of a lifelong search for scientific knowledge, presents the scientific evidence of the truth disclosed in the Bible. For reasons unknown until modern day scientific advancements, God gave his followers specific guidelines to follow. Although many in history claim these to be God s method of control, science is continually proving the benefits and safety experienced by those who adhere to these guidelines. Included in the revelations of In Search of Wisdom are: Instructions proven to optimize health Governing laws proven to prevent infectious disease Foreknowledge of high-tech inventions Indications of the astrological world, proven to be true Geological and Oceanographic facts about our planet, proven to be true The text of In Search of Wisdom is diligently supplemented by biblical Scripture, scientific research, and outside resources. This book-the first of its kind, focusing on scientific wisdom of the Bible and relating it to modern-day science-is certain to impact the lives of those who are In Search of Wisdom.

Reviews

I just started off reading this article publication. This really is for all who stante there had not been a really worth looking at. You will not feel monotony at anytime of your own time (that's what catalogs are for about should you ask me).

-- Prof. Jeremie Kozey

A superior quality pdf along with the font used was intriguing to read through. It can be rally exciting throug reading through time period. You may like how the blogger create this book.
