iUniverse, United States, 2007. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A missing-person case opens in Masonville, North Carolina, on April 9, 1975. Christine Wild, a local married woman, is never found. As the years pass for a local policeman looking for a break in the case, the leads slow down and the trail gets cold. But no case ever becomes so cold as to be entirely forgotten. Thirty years later, the lives of three men intersect in the search for answers: an author searching for a new story, a retired judge looking for closure, and a rural-county police detective wanting to clear the case from the books. With no leads, memories fading, and time being their worst obstacle, the men look for a break in the case that went nowhere more than thirty years ago. Packed with intrigue and suspense, Cold Trail will take you on a trek through the years toward an explosive conclusion you never expected.
