

The Magic of Spain (Paperback)

By Aubrey F G Bell

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from the introductory Note: THIS is rather a collection of stray notes on Spain than a connected study-of notes from many pleasant hours of Spanish literature and travel, but perhaps of too individual an interest to appear without some apology. No reference will be found to those great social and political problems which disturb Spanish life. To fill the idler moments of a Spanish holiday, and possibly to help the reader to feel that parfum du terroir which pervades Spain, is the unambitious object of these pages. Better still, if he turns from them in dissatisfaction to authoritative writers on Spanish life and letters, and to the magic-land of Spanish literature itself. For permission to reprint some of these short essays in slightly altered form the author has to thank the Editors of the Morning Post, the Outlook, and the Queen.
