

Angry Baby: Ireland's Youngest Political Activist Speaks Out

By Arthur Mathews

Hachette Books Ireland. Hardback. Book Condition: new. BRAND NEW, Angry Baby: Ireland's Youngest Political Activist Speaks Out, Arthur Mathews, Angry Baby Katie Woods has a clear message for today's politicians: 'We (the generation of tomorrow) are not going to take this mess lying down.' Founder of the ground-breaking political party 'Babies for Change', in this no-holds-barred account of her short but extraordinary life to date, Katie pulls no punches as she shares her vision for a better future. It includes her anti-austerity manifesto - Ignore the Troika! Special prisons for bankers! Rejuvenation through pram lane construction! - an account of her friendship with her 'guru' Fintan O'Toole ('what would Fintan do?'), life on the campaign trail, and the inside story of her often tempestuous relationship with nanny/campaign manager Siobhan Devlin. Visionary, raconteur, voice of Ireland's disenfranchised, young Angry Baby tells it like it is as she declares 'Ireland is open for business.'

Good eBook and beneficial one. It really is simplified but unexpected situations from the 50 percent from the ebook. You can expect to like the way the blogger publish this ebook.

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).
