Your brain is the world s most powerful computer and it can be directed to increase your wealth, health and overall happiness. Everything you learn and take from the hypnosis techniques in this book, you can use to radically improve and positively impact every area of your life. Whether you want to attract wealth, lose weight, control anger, eliminate anxiety or any other beneficial and influential aspect of life, self-hypnosis is your ticket. This isn t just a superficial idea from stage magicians or some kind of parlor tricks. It s a specific system I used myself and I m now enjoying the life of my dreams and stress free living. And it s the same exact system I ll be sharing with you in this book so you can finally experience results like these yourself! This is not an instant fix - you will have to put forth effort. This is not like in the movies where someone gets accidentally hypnotized by overhearing a hypnotherapy session in the next room. No, it takes effort; it takes consistent ongoing focused effort to re-write the bad programming that..
