Jennifer Treacy Cole, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.As a gifted child plays with a Ouija board on her eleventh birthday, a startling memory surfaces. Robin Wingfield has thus far repressed the damage she suffered at the hands of a group of neighborhood children. Further experimentation with the mystifying oracle reveals an impending disaster for her town. No longer able to dismiss the Ouija as a frivolous game, she delves deeper into the occult world. Of all the dangers along the way, it may be those closest to her who pose the greatest threat. (Published with easy to read formatting). Reviews: This is the perfect book for any young reader and might even turn the halfhearted readers into book lovers. -- Lynn Cunningham of Dark Corner is endorsed by Compulsion Reads! . . . an enjoyable and well-paced adventure. Estelle Daniels, co-author of Essential Wicca, says, Ms. Cole has a good plot, it moves well and there are several interesting twists that make it entertaining. It keeps the reader s interest, and is fun. Hopefully there will be more books in the series, because this reader is interested in watching Robin grow and mature more fully into her talents. Robin has a long way to go, and hopefully Ms. Cole will continue her adventures.
