Brand New Book ***** Print on Demand *****. 88 Habits of Highly Organized People There are moments in our life when we feel trapped in a vicious cycle of obligations and expectations. When everything is rushing by we feel constrained with helplessness and desperateness. At that point we can only observe confusion turning into chaos and chaos into frustration. If you have also ever found yourself overwhelmed by your duties and obligations and due to constant stress springing from the mess in your life felt unmotivated to take appropriate actions to change the situation, this book is for you. Transforming chaos into order and establishing control where there is none calls for structured approach that will address the root of the problem. Lessons learned from highly successful people, that have managed to tame the pandemonium in their life have thought us that that the key to leaving the mess behind lies in changing the behavioral traits. Behaviour is about conducting one s self and is strongly interlinked with personal attributes. Due to that fact it is notoriously difficult to change. However there is a way-breaking...
