Reviews

*A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where basically altered me, change the way I believe.

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.WATCH OUT!Side effects of reading this book include a sudden surge of self-esteem and unprecedented decisiveness in making marketing decisions. Also common are a lifetime addiction to web automation and web data scraping.After reading this book, if you spend more than 4 hours with web bots a day, call a therapist right away.WHAT S THIS BOOK ABOUT?I m sure you ve wondered why your competitors books are selling better than yours. In a perfect world governed by meritocracy, your books would have been selling much better than your competitors . But Amazon is not that perfect world. Amazon is a jungle where the street-smart prevail and prosper.What if I tell you the key is marketing? Here we go again, you roll your eyes: Who hasn t heard that before? Tell me something I don t know. What if I tell you the key is marketing with webbots? Would I get your full attention?This book may just be the ultimate answer to questions that have been bothering you. I have no doubt it will put energy, wisdom and tangible result in your next book marketing move.
