Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When you are told your child at the age of three is severely disabled and might never communicate, it feels to parents like your world is falling apart. This is a helpless and desperate feeling, even for a family with medical resources and familiarity with the special-needs educational system. Desperately trying to help Antonio break through the autism curtain that held back his intelligence, his creativity, and his expressive personality, we tried every treatment: private tutors, special diets, you name it.but what we saw emerge had only to do with faith. This medical family learned that faith in our child, in each other, and in the Lord that protects us, was all we needed. When you believe in your children, you will see miracles emerge all around you. Antonio s experiences inspired our family to create Sycamore Lane Therapeutic Riding Center, a place where anyone with disabilities can find love, nurturing, and people who believe in their potential-all through the magic of equine therapy.
