Reviews

*This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

Brand New Book ***** Print on Demand *****.Excerpt from As Regards Protoplasm, Vol. 2: In Reference to Mr. Huxley s Second Issue, and of Preface, in Reply to Mr. Huxley in Yeast; When this Essay was first published, the following was the prefatory note (October 1869): - The substance of the greater part of this paper, which has been in the present form for some time, was delivered, as a lecture, at a Conversazione of the Royal College of Physicians of Edinburgh, in the Hall of the College, on the evening of Friday, the 30th of April last. It will be found to support itself, so far as the facts are concerned, on the most recent German physiological literature, as represented by Rindfleisch, Kuhne, and especially Stricker, with which last, for the production of his Handbuch, there is associated every great histological name in Germany. I may now state, without any more particular reference to the motives, whether general or special, which gave rise to it, that this essay of mine had but one thing to do. - to protest, namely, against the thoughtless extinction of certain essential differences in a supposed common identity. I may illustrate this by a remark in a letter to me on the subject by the late lamented Professor Ueberweg, which (the letter itself is dated Jan. 16, 1870) is as follows: - As I am neither a physiologist nor a zoologist, I cannot be expected to follow your argument into its details, but I am vividly interested by its logical or dialectical leading thought - the contention, namely, for the right of the logical category of Difference, as against that of Identity one-sidedly accentuated, as it seems, by...
