Besides being a Veteran of the Infantry, I have been a security guard for many years, I ran security companies and was a security consultant, and a Private Investigator. I know what it takes to keep safe in a dangerous world like the one we are currently facing. As stated above No safe haven exists, you must become and provide the safe haven and lets face it, it s not a safe zone out there anymore, people are afraid to leave their homes, and afraid to go enjoy life, and homes are being broken into. We not only have to worry about terrorist groups like ISIS, but we have to worry about gangs and thugs on the streets, and people with weapons out to do us harm . It s a no brainer to want to protect what is yours, including your loved ones, especially your loved ones. One of my favorite books/programs I developed is Operation Enlighten which shows you how to protect yourself with your most valuable self protection tool, your mind! Anyone can throw a punch or kick, but only the best warriors know how to defeat an adversary using their minds, and never having to throw a punch, or get that close to an attacker to have to worry about being hit by a punch, stabbed, or even shot. You may think yeah ok, sounds like fantasy, especially in this day and age, You re full of it. I have one phrase that will change your mind, not becoming a victim is done by not showing that you can become the victim. People who wish to do us harm go after the weaker...
