Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Rather Slam a Cab Door on Your Thumb than Mess with Online Advertising for Your Trucking Business? This Little Book Changes Everything. Most trucking companies dump money into old school marketing tactics and then pray they'll work. But these days, that means working harder and harder to get just a tiny fraction of the results they used to get. Trucking and PPC advertising go together like tractors and trailers. Carriers need the phone to ring - a lot - with drivers who are qualified and highly-motivated to drive. Trucking vendors need to be able to get in front of fleets of all different sizes with problems they can solve. And neither of them want to have to pay for leads they don't own, pound the phones, and rely on tired, old tactics that depend on racks at truck stops to grab their prospects attention. Real, no-nonsense results (filling trucks, moving freight, and making trucking companies more profitable) come from effective online advertising. if you do it right. That's a big IF, though, because there are so many ways online ads can go wrong. If the thought of mastering the online advertising learning curve leaves you confused and overwhelmed, you're not alone. Very few trucking companies realize the level of marketing prowess they'll need to succeed. Fewer still have the time and bandwidth it takes to learn on the fly. What if you could get a crash course in online advertising for your trucking business? What if what you learned helped you 10x your business in the next twelve months, leaving your competitors in the dust? When you study this little book, you'll discover: -What can happen...
