

Fooling the Tooth Fairy (Hardback)

Filesize: 2.46 MB

Reviews

This ebook is fantastic. It is actually written in straightforward terms rather than hard to understand. It has been designed in an extremely straightforward way and it is merely soon after I finished reading through this ebook through which in fact modified me, altered the way I really believe.

London Town Press, United States, 2005. Hardback. Book Condition: New. Clint Hansen (illustrator). 282 x 213 mm. Language: English . Brand New Book. Little Marty hatches a plot to trick the Tooth Fairy with a paper tooth. But when the clever fairy finds out what he s done, watch out! He s about to learn that she has a strong sense of justice-and an even stronger sense of humor! The warm childhood memories of Martin Nelson Burton find a perfect home in Clint Hansen s paper sculpture wonderland. The sequence of wordless pages in the book - where the Tooth Fairy flies to the boy s house, reacts passionately to finding out that the boy has tried to trick her with a paper tooth, then devises her own strategy to get even - make for a wonderful prediction exercise for young readers. A storytelling treat, this charming picture book offers a true story from the author s childhood that kids will recognize as authentic, as they lose their baby teeth and get visits from the Tooth Fairy themselves.
