

Cure Gum Disease Naturally: Heal Gingivitis and Periodontal Disease with Whole Foods

Filesize: 1.57 MB

Reviews

It is one of the most popular publications. It really is filled with knowledge and wisdom. It has been designed in an exceedingly straightforward way and it is merely soon after I finished reading this pdf by which it actually transformed me, affected the way in my opinion.

Golden Child Publishing, United States, 2015. Paperback. Book Condition: New. 244 x 170 mm. Language: English . Brand New Book ***** Print on Demand *****.Free yourself from the downward spiral of scaling, root planing, gum grafts, flap surgery, chemicals, and the inevitable extractions and implants and cure gum disease (periodontitis) naturally. Ramiel Nagel s bestselling guide, Cure Tooth Decay, has inspired tens of thousands of readers to discover hidden and effective means to reduce dental cavities by at least 90 percent. In Cure Gum Disease Naturally, Nagel expands upon his original work and shows you the forgotten and suppressed cure for gum disease. The CDC now reports that about half of all adult Americans suffer from periodontal disease, with 8.5 percent of all adults having severe gum disease. And even worse, 23 percent of all adults aged sixty-five and older have lost all of their teeth. Despite the prevalence of periodontal disease, dentistry has not found the cure as it continues to allow adults to lose their teeth only to primarily offer the expensive and often painful alternative of dental implants. This is not a book that advocates for gum surgery, or for other chemical or harsh overpriced treatments with dubious results. This is a truly natural, holistic approach that primarily focuses on how you can use the food that you eat as medicine for your body, to give it specific and targeted nutrition, and to make your sad gums happy again. It will show you how to turn the frequent dreadful dental visits into a delight, and to help you stop worrying about the health of your teeth and gums so you can start living life-as you deserve to-once again. Take a bite out of life, improve how you feel, reduce your level of stress, and finally, at last,...
