Reviews

This is an awesome publication i have at any time read. Of course, it is play, still an interesting and amazing literature. You will like just how the author write this book.

(Prof. Herta Mann)

ECONOMIC APPROACHES TO ORGANIZATIONS

Prentice Hall, 2002. Softcover. Condition: Neu. Unbenutzte Restauflage Unbenutzt. Schnelle Lieferung, Kartonverpackung. Abzugsfähige Rechnung. Bei Mehrfachbestellung werden die Versandkosten anteilig erstattet. - This text assumes no prior knowledge of economics and is ideally suited to one or two semester courses in managerial economics and related courses in business, organization or management. The focus of this unique text is on the importance of economic issues and developments in the study of organizations and management. This is one of only a few books to take this approach. The text explains in a non-technical way, the behavioural theory of the firm, agency theory, transaction cost economics and recent economic contributions to strategic management and evolutionary theory. The third edition of this highly successful and well established text has been thoroughly updated, with a new improved design and layout and a stronger coverage of the Internet whilst retaining its hallmark student friendly, step-by-step approach. 291 pp. Englisch.
