

Don Juan and the Art of Sexual Energy: The Rainbow Serpent of the Toltecs

Filesize: 9.09 MB

Reviews

Undoubtedly, this is the best work by any author. It is really simplified but shocks within the 50 % in the publication. Its been written in an extremely straightforward way and is particularly just following i finished reading this publication by which basically altered me, modify the way in my opinion.

Bear & Company. Paperback / softback. Book Condition: new. BRAND NEW, Don Juan and the Art of Sexual Energy: The Rainbow Serpent of the Toltecs, Marilyn Tunneshende, - The secret sexual energy practices of Toltec-Mayan shamans revealed at last. - The author studied with don Juan Matus and the same circle of "Nagual" sorcerers who taught Carlos Casteneda. - Offers specific step-by-step instructions for mastering the ancient sexual techniques that lead to spiritual transformation. Readers of Carlos Casteneda have often complained that his work in ancient Meso-american shamanism never covered sexual practices beyond celibacy. With his death in 1998 it seemed that these practices might never be revealed, but fortunately Marilyn Tunneshende has stepped in. Set against the backdrop of the golden deserts of Sonora, Mexico, "Don Juan and the Art of Sexual Energy" recounts Tunneshende's initiation into the ancient sexual energy practices of the Toltec-Mayan tradition. Under the tutelage of don Juan Matus, Chon Yakil (whom Casteneda referred to as Don Genaro), and dona Celestina de la Soledad, she learns to reclaim her feminine power and balance the masculine and feminine forces within herself. At the heart of the book is the mythical Rainbow Serpent: the phallic energy within women, the creative power within men. Each chapter focuses on a particular technique for awakening the serpent and connecting with its energy. Twenty-two sequential practices are covered, providing a powerful program for serious spiritual transformation.
