## Alcohol Use Disorders (Paperback)

By Stephen A. Maisto, Gerard J. Connors, Ronda L. Dearing

Hogrefe Publishing, Canada, 2007. Paperback. Condition: New. Language: English . Brand New Book. This book provides practice-oriented, evidence-based guidance on treating alcohol problems - one of the most widespread health problems in modern society. This volume in the series Advances in Psychotherapy - Evidence-Based Practice provides therapists and students with practical and evidence-based guidance on the diagnosis and treatment of alcohol problems. Alcohol abuse and alcohol dependence are widespread, and the individual and societal problems associated with these disorders have made the study and treatment of alcohol use disorders a clinical research priority. Research over the past several decades has led to the development of excellent empirically supported treatment methods. This book aims to increase clinicians access to empirically supported interventions for alcohol use disorders, with the hope that these methods will become the standard in clinical practice.
