

Shadows of a Sunbelt City: The Environment, Racism, and the Knowledge Economy in Austin (Paperback)

By Eliot M. Tretter

University of Georgia Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Austin, Texas, is often depicted as one of the past half century's great urban success stories—a place that has grown enormously through creative class strategies emphasizing tolerance and environmental consciousness. In *Shadows of a Sunbelt City*, Eliot Tretter reinterprets this familiar story by exploring the racial and environmental underpinnings of the postindustrial knowledge economy. He is particularly attentive to how the University of Texas—working with federal, municipal, and private-sector partners and acquiring the power of eminent domain—expanded its power and physical footprint. He draws attention to how the university's real estate endeavours shaped the local economy and how the expansion and upgrading of the main campus occurred almost entirely at the expense of the more modestly resourced communities of color that lived in its path. This book challenges Austin's reputation as a bastion of progressive and liberal values, notably with respect to its approach to new urbanism and issues of ecological sustainability. Tretter's insistence on documenting and interrogating the shadows of this important city should provoke fresh conversations about how urban policy has contributed to Austin's economy, the way...
