I realize that today many are facing financial and other major life issues. At first, I went about my life, enjoying everything I had and none the wiser about how difficult things could become. However, that s when my life changed. It wasn t long after I lost my job that I found myself struggling to support my wife and our six-year-old son. I began to worry about what I was going to do and how I could possibly turn the situation around. That s when I learned about something called homesteading. I had never heard of it before, and it took quite a learning curve, but in just 12 months I was able to make our family self-sufficient and improve our life to a standard even better than it was before. So if you find yourself in a similar situation consider homesteading. Let me take you through my first 12 months, and you ll be amazed at what you can do when you set your mind to it. After Reading This Book, You Will Learn: Benefits of HomesteadingHow to Plan Your Homesteading4 Must have s for a Successful Homesteading20 Essential Tools you will NeedHow to Get EnergyHow to get Lighting How to Source WaterHow to Dispose of WasteHow to Find Comfort in all four seasonsHow to Raise Livestock and Chicken How to Plan...
