Reviews

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).

THE RIVER AND THE BOOK

Walker Books Ltd, United Kingdom, 2015. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. From the internationally bestselling author of the high fantasy series The Books of Pellinor comes a powerful story about the exploitation of indigenous people by the First World. Endorsed by Amnesty International as contributing to a better understanding of human rights, this poetic coming-of-age story combines magical realism and fable, and features beautiful black-and-white chapter illustrations. Simbala s village has two treasures: the River, their road and their god; and the Book, their history, their oracle and their soul. Simbala is a Keeper of the Book, the latest in a long line of women who can use it to find answers to the villagers questions. As developers begin to poison the River on which the villagers rely, the Book predicts change. But this does not come in the form that they expect; it is the sympathetic foreigner who comes to the village who inflicts the greatest damage of all.
