Alzheimer s: So That s What It s Going to Be Jim Bergstrom (Paperback)

By Catherine Bergstrom

Xulon Press, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Chances are everyone knows someone who has Alzheimer s: a neighbor, grandparent, sibling, uncle. This disease is like a tsunami rolling over our society. We had been married for 46 years when Jim, my husband and retired Navy Captain, was diagnosed with Alzheimer s. An Alzheimer s diagnosis is something no one wishes to hear, but Jim accepted it with equanimity and so began this new chapter in our lives. We entered a world different from what we had known; a world of care givers, day care centers, and assisted living. At the same time, we were sustained by supportive family, an Alzheimer s support group, human angels, and our living faith. As every person is different, our story is unlike anyone else s, but the impact is the same. The disease is relentless and inevitably the downward spiral began for Jim. Remarkably, during the challenging time of Jim s illness, I saw more clearly the character of this fine man; his sense of humor, his faith, his respect for others and the discipline and determination to be who he had been for...

Reviews

Great electronic book and helpful one. Of course, it is play, still an interesting and amazing literature. I am just delighted to inform you that here is the finest ebook i have got go through in my own daily life and might be he finest pdf for actually.

-- Lora Johns III

The book is great and fantastic. Better then never, though i am quite late in start reading this one. I realized this publication from my dad and i advised this ebook to find out.
