ATHENIAN POLITICAL COMMISSIONS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Athenian Political Commissions The original object of this dissertation was to deal with the entire system of commissions in Athenian government. However, the discovery of a general type of commission, which, for want of a better title, I have named Political, and the conspicuous importance of these commissions in at least two great crises of Athenian political history, led to a detailed study of this single type and to an effort to interpret afresh certain events in the oligarchic revolutions of 411 and 404 B.C. The subject was first suggested to me by Professor Robert J. Bonner of the University of Chicago, and the dissertation in its present form resulted, almost entirely, from study under the direction of Professor Bonner in his research course in Greek history. Professor Bonner s helpful criticism has attended every step in the progress of the work. I wish, also, to acknowledge the kindness of Dr. A. J. Ladd, editor of the Quarterly Journal of the University of North Dakota, for permission to reprint portions of an article (Q. J. U. N. D. Vol, VIII, 1918, No. 2) in which I published my main thesis regarding the function of commissions in the revolutionary politics of 411 B. C. This article was published in anticipation of unavoidable delay in the publication of my dissertation as a whole.
