

Special Deluxe (Paperback)

By Neil Young

Penguin Books Ltd, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. Quirky and candid, Neil Young's wildly-acclaimed book of reminiscences is as compelling as his first. He returns with more unforgettable stories about his six decades in the music business - and his wonderful lyrics - but this is not your average rock biography. He centres this new work on one of his life's passions, cars, using the framework of all the cars he's ever owned to construct a narrative of his life and career, exploring how memories are attached to objects.

Reviews

It is one of the most popular books. It really is filled with wisdom and knowledge. You may like how the author writes this book.

Without doubt, this is actually the greatest work by any writer. It is really basic but surprises within the 50 percent of the book. I discovered this book from my father and dad recommended this book to understand.
