Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Home: A Religious Book for the Family But against all such attempts, he who believes in the Divine Wisdom, and honors the great Father of all, will emphatically protest. Home influence, home maxims, home example, home piety, and home endearments, should first be made what they ought to be, and then upheld in all their preeminence as vital forces in the souls of men. Where they are either abolished or neglected, we are conspiring against the highest interests of society, and all human substitutes for Home, except where a literal home is impossible, are counterfeits and corruptions. Man was made for the family, and the family for man, as surely as the eye and light are correlatives; and he alone escapes the shoals of folly here who recognizes and honors the radical law by which God would regulate our abodes.
