Executives who irrationally dislike certain staffers, and try to harass them into quitting. Companies that try to force out employees because of gender, race, or age. Bosses who risk destroying a company, with their out-of-control drug use or gambling. Every story ends with a question for the reader to answer: Did Allison just quit-or was she fired? Should Lori have gone straight to HR to complain about the sexual harassment? Can Jim be fired for trying to...
