A third ohjeetion urged hy Bertheldt (p. 361), is derived from the aeeount respeeting the lions in this echapter. It is alleged hy him that the aeeount is so full of improhabilities, that it eannot ho reeeived as true; that though the faet that they did not fall on Daniel ean he explained from the eireumstanees that they were not hungry, Ae.; yet that it is ineredihle that they sheuld have fallen on the enemies of D.tniel as soon as they were thrown into the den; that the king sheuld expeet to find Daniel alive after heing thrown among them; that he should have ealled In this manner to Daniel, Ae, To all this it is suffieient to reply, that no one ean suppose that the faets stated here ean he explained hy any natural eauses. The whele representation is evidently designed to leave the impression that there was a speeial divine interposition--a miraele--in the ease, and the only explanation which is admissihle here is that which would he proper in the ease of any other miraele. The only questions which eould he asked, or which would ho proper, are these twe; whether a miraele is possihle; and whether this was a suitahle oeeasion for the miraeulous exertion of divine power. As to the first of these questions, it is not necessary to argue that hen)--for the ohjeetion might lie with equal foree against any other...
