The University of Michigan Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. In Childhood Years, originally published serially in a literary magazine between 1955 and 1956, Tanizaki Jun ichiro (1886-1965) takes a meandering look back on his early life in Tokyo. He reflects on his upbringing, family, and the capital city with a conversational - and not necessarily honest - eye, offering insights into his later life and his writing.
