

Napoleon St Helena: On the Island of Exile (Paperback)

By Johannes Willms

The Armchair Traveller at the Bookhaus, United Kingdom, 2011. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The island of St Helena, in the South Atlantic, is one of the most remote and most famous islands in the world. The Duke of Wellington had stopped at the island on his way back from India and had been struck by its remoteness, leading him to recommend it as Napoleon s place of imprisonment after his defeat in 1815, thrusting the island to the centre of world affairs. But where does this legacy leave St Helena today? The island is a unique colonial survivor, almost without an economy of its own. Lacking an airport, the only regular link is by the Royal Mail Ship. The inhabitants are dependent on the support of the British government and the island relies solely on its history, and the tourists attracted by Napoleon s last residence. This fascinating book is a vivid account of a visit to the last place on earth and how a remote people and place respond to their legacy and isolation in a global world.

Reviews

The book is great and fantastic. I could comprehend almost everything using this published e publication. I am just very happy to explain how here is the very best ebook i have study inside my very own existence and could be he greatest book for ever.

-- **Mekhi Marvin DVM**

Extensive information! Its this type of excellent study. I have read and i am sure that i will gonna go through yet again once more down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.
