HarperCollins Publishers Inc. Hardback. Book Condition: new. BRAND NEW, Business Brilliant: Surprising Lessons from the Greatest Self-Made Business Icons, Lewis Schiff, For decades, the middle class has believed that the road to success meant working hard and playing by the rules. But as the 2008 economic crisis has made clear, the old rules no longer apply-that particular road to prosperity has become a road to nowhere. Schiff argues that it is synergy, not serendipity that produces success. He offers a practical four-step program ordinary workers can follow to position themselves to succeed more often, from choosing a livelihood and pinpointing skills to focus on, to negotiating job terms and salary. "Business Brilliant" challenges readers to compare their own approach to the executives and entrepreneurs who have successfully navigated our rapidly changing economy. While "Business Brilliant" doesn't...
