

## Thucydides on Strategy: Grand Strategies in the Peloponnesian War and Their Relevance Today

By Constantinos Koliopoulos

Oxford University Press. Paperback. Condition: New. 224 pages. Masterfully crafted and surprisingly modern, History of the Peloponnesian War has long been celebrated as an insightful, eloquent, and exhaustively detailed work of classical Greek history. The text is also remarkable for its deep political and military dimensions, and scholars have begun to place the work alongside Sun Tzu's The Art of War and Clausewitz's On War as one of the great treatises on strategy. The perfect companion to Thucydides' impressive History, this volume details the specific strategic concepts at work within the History of the Peloponnesian War and demonstrates, through case studies of recent conflicts in Kosovo, Afghanistan, and Iraq, the continuing relevance of Thucydidean thought to an analysis and planning of strategic operations. Some have even credited Thucydides with founding the discipline of international relations. Written by two scholars with extensive experience in this and related fields, Thucydides on Strategy situates the classical historian solidly in the modern world of war. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

### Reviews

*It is a single of my personal favorite ebook. It really is filled with wisdom and knowledge I discovered this book from my dad and I recommended this book to discover.*

-- **Kyla Goodwin**

*This kind of publication is every little thing and taught me to look ahead of time and a lot more. It is packed with wisdom and knowledge. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
