WHEN YOU KNOW, THEN YOU CAN (PERSIAN AND ENGLISH EDITION) (PAPERBACK)**DOWNLOAD PDF**

Supreme Art, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Increasing violence and destruction on a national scale and global specialists and the public alike about the nature and causes of aggression theoretical research is focused. This concern is not surprising; The surprising fact is that this fascination has just happened. Especially when researchers such as Sigmund Freud, when reviewing his previous theory that was focused around sexual drive, During the decade of 1925 also formulated a new theory in which the passion to destroy death instinct, power with passion loving life instinct, sexual orientation found. However, most people still Freud s school of libido mainly for providing sex as a fundamental passion in human thought, salinity is controlled only by the instinct of self-preservation. The situation changed only in the mid-sixties. The probable reason for this change is the fact that the level of violence and fear certain thresholds across the world wars of the past. However, publish several books that dealt with human aggression, especially aggression books about the effect of Konrad Zacharias Lorenz (1966), was a factor. Konrad Zacharias Lorenz, a prominent scientist in the field of animal behavior1, especially birds and fish, decided to take disciplinary less competence or experience in that regard, Namely human behavior. Although the book is about aggression was rejected by most psychologists and scientists nerves, the bestselling book and profound influence on the mind was a huge part of educated society, a society in which many of them were receptive in terms of Konrad Zacharias Lorenz as the final answer to the problem. This book basically contains the original concept: aggressive behavior and disruptive behavior as well as psychological concepts on how to succeed and ability in terms of innate instinct and the development of...
