Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

I want to share my story.my encounters.my journey.my testimony. There were moments in my life when it seemed like giving up was easier than striving. But something within me wouldn t let me give up. I decided to put my life on pages so people could gain insight of who I am. I feel as though it is my responsibility to help inspire someone-give some hope. Let them know that they can overcome anything. Even when people count you out, God counts you in. Through sickness, adversity, disappointments, rejection, violation, and neglect, I didn t let that stop me. The rougher the mountain, the higher the climb. I had to go through all these things to become the woman I am. God brought me through. People can change what you may thing, but they cannot change what you know. God opens doors that no man can shut!.
